Announcing: Two professional development opportunities from the Rice University School Mathematics Project (RUSMP) for senior high school mathematics teachers in the Houston Independent School District’s Achieve 180 schools

- **Strategies to Develop Mathematical Thinking for Student Success on STAAR: Algebra I**
  
  This four-meeting, just-in-time, grade-specific course is designed for teachers who are seeking student-centered, research-based strategies and resources to help their students succeed on STAAR: Algebra I. *Teachers new to teaching this course would greatly benefit from attending.*

  **When:** On the following four early release days - October 19, 2018, November 9, 2018, January 18, 2019 and February 15, 2019

  **Where:** Yates High School; 3703 Sampson St, Houston, TX 77004

  **Time:** 2:00 p.m. - 4:00 p.m.

  **Cost:** $400 per teacher, which includes all course materials and professional development credit

- **Calculus for High School Teachers**

  This 21-meeting course is designed for high school mathematics teachers who are seeking a strong foundation in calculus content through a conceptual approach. *This course is ideal for new A.P. Calculus teachers or for teachers preparing to teach calculus in the future.*

  **When:** Tuesdays - September 18, 2018 through February 26, 2019 (excluding November 20, December 25, and January 1)

  **Where:** RUSMP classroom; 5615 Kirby Drive, Houston, TX 77005 (Suite 300)

  **Time:** 5:00 p.m. - 7:00 p.m.

  **Cost:** $2,100 per teacher, which includes all course materials and professional development credit (Teachers may also elect to receive graduate credit at Rice's reduced tuition rate.)
