Rice University School Mathematics Project’s
New Summer Math Camps
at Annunciation Orthodox School
for 2nd-grade through 6th-grade Students

The Rice University School Mathematics Project (RUSMP) is offering two-week summer math camps at Annunciation Orthodox School for students entering 2nd- through 6th-grade in the fall of 2019.

These activity-filled half-day camps will engage students in fun, hands-on mathematics investigations and games with connections to science, technology, engineering, and the visual arts. Students will leave energized and enthusiastic about mathematics and the other STEAM disciplines.

Information about early arrival and after-camp extended care as well as information about other camps is available through Annunciation Orthodox School.
(Visit https://www.aoshouston.org for more information.)
