

**Rice University School Mathematics Project's
2022 Summer Math Camps
at Saint Thomas' Episcopal School
for Students entering 1st-grade through 6th-grade in the Fall, 2022**

The Rice University School Mathematics Project (RUSMP) is offering one-week summer math camps at Saint Thomas' Episcopal School for students who will be entering 1st- through 6th-grade in the Fall of 2022. Camps will be held in the new STE Lower School Building with a new playground and sports pavilion.

These camps (9:00 a.m. - 3:30 p.m.) will blend content-focused learning and enriching activities to engage students in fun, hands-on mathematics investigations and games with connections to science, technology, engineering. Students will enhance their love of learning and deepen their math understanding and will leave energized and enthusiastic about mathematics and the other STEAM disciplines.

We are cautiously moving forward with our face-to-face summer camps with the understanding that they might change to virtual if necessary due to COVID-19.

When:

June 20 – 24, 2022 (Monday - Friday)

9:00 a.m. – 3:30 p.m.

For students entering:

1st-grade students

2nd-grade students

3rd-grade students

4th-grade students

5th- and 6th-grade students

Cost: \$600 per student to attend

Limited enrollment

Where:

Saint Thomas' Episcopal School

4900 Jackwood

Houston, Texas 77096
