## Rice University School Mathematics Project's

at St. Mark's Episcopal School  
for Students entering 1<sup>st</sup>-grade through 4<sup>th</sup>-grade in the Fall, 2022

The Rice University School Mathematics Project (RUSMP) is offering one-week summer math camps at St. Mark's Episcopal School for students who will be **entering** 1<sup>st</sup>-grade through 4<sup>th</sup>-grade in the Fall of 2022.

These enriching, activity-filled half-day camps will engage students in fun, hands-on mathematics investigations and games with connections to science, technology, engineering, and the visual arts. Students will enhance their love of learning and will leave energized and enthusiastic about mathematics and the other STEAM disciplines. These are not intended for remediation or as prep for the school year.

Information about after-camp extended care as well as information about other camps is available through St. Mark's Episcopal School.

(<https://www.stmes.org/community/summer>)

We are cautiously moving forward with our face-to-face summer camps with the understanding that they might change to virtual if necessary due to COVID-19.

**When:**

**June 13-17, 2022 (Monday - Friday)**

**1:00 p.m. - 4:00 p.m.**

For students entering:

1<sup>st</sup>- and 2<sup>nd</sup>-grade students
