**Rice University School Mathematics Project's
2023 Summer Math Camps
at St. Vincent de Paul Catholic School
for Students entering 2nd -grade through 8th-grade in the Fall, 2023**

The Rice University School Mathematics Project (RUSMP) is offering one-week summer math camps at St. Vincent de Paul Catholic School for students who will be entering 2nd - through 8th-grade in the Fall of 2023.

The one-week camps (9:00 a.m. – 3:30 p.m.) will blend content-focused learning and enriching activities to engage students in fun, hands-on mathematics investigations and games with connections to science, technology, engineering, and the arts. They will explore topics that may not be emphasized during the school year. Students will strengthen their problem-solving and reasoning skills and enrich their math backgrounds to prepare them for the upcoming school year.

We are pleased to offer lunch through ECI Catering. The registration cost for the camp includes lunch.

When:

June 5 – 9, 2023 (Monday – Friday)
9:00 a.m. – 3:30 p.m.
