

RICE
School Mathematics Project

**Rice University School Mathematics Project's
2024 Summer Math Camps
at St. Vincent de Paul Catholic School
for Students entering 2nd-grade through 6th-grade in the Fall, 2024**

The Rice University School Mathematics Project (RUSMP) is offering one-week half-day summer math camps at St. Vincent de Paul Catholic School for students who will be entering 2nd- through 6th-grade in the Fall of 2024.

These enriching, activity-filled half-day camps will engage students in fun, hands-on mathematics investigations and games with connections to science, technology, engineering, and the visual arts. Students will enhance their love of learning and will leave energized and enthusiastic about mathematics and the other STEAM disciplines. These camps are not intended for remediation or as prep for the school year.

When:

June 24 – 28, 2024 (Monday – Friday)
9:00 a.m. – noon

Cost:

\$350 (tuition) + \$5.95 (processing fee)
per student

Limited enrollment

Where:

St. Vincent de Paul Catholic School
6802 Buffalo Speedway
Houston, Texas 77025
