Rice University School Mathematics Project's  
2024 Summer Math Camps  
at Saint Thomas' Episcopal School  
for Students entering 1st-grade through 6<sup>th</sup>-grade in the Fall, 2024

The Rice University School Mathematics Project (RUSMP) is offering one-week summer math camps at Saint Thomas' Episcopal School for students who will be entering 1st- through 6th-grade in the Fall of 2024. Camps will be held in the Lower School Building.

The one-week camps (9:00 a.m. - 3:30 p.m.) will blend content-focused learning and enriching activities to engage students in fun, hands-on mathematics investigations and games with connections to science, technology, engineering, and the arts. They will explore topics that may not be emphasized during the school year. Students will strengthen their problem-solving and reasoning skills and enrich their math backgrounds to prepare them for the upcoming school year.
