RICE UNIVERSITY
School Mathematics Project
Spring 2023

Mathematics for Teachers of Grades PreK-1

Tuesdays: January 31; February 7, 21, 28
4:30 p.m. – 6:30 p.m. in the RUSMP classroom, 5615 Kirby Drive, Suite 300

This course is designed for teachers who are seeking to strengthen their understanding of mathematics in grades PreK-1. Topics will be explored through engaging researched-based hands-on explorations, correlations to children’s literature, awareness of mathematics in everyday life, engaging mathematics songs that enhance the learning of mathematics, and assessments to measure student understandings.

The topics that will be explored in this course include:

- Explorations with patterns to develop algebraic reasoning
- Counting
- Number and operations
- Classifying and sorting two-dimensional and three-dimensional objects
- Using measurement to develop comparisons

Each teacher will receive course materials and professional development credit.

Enrollment is limited.
