

**PROGRAM
ANNOUNCEMENT
Summer 2025**

Program for PreK-1 Teachers

**June 23-26 (9:00 a.m. – 3:00 p.m.)
in the RUSMP classroom, 5615 Kirby Drive, Suite 300**

This program is designed for teachers who are seeking to strengthen their understanding of mathematics in grades PreK-1. Topics will be explored through engaging researched-based hands-on explorations, correlations to children's literature, awareness of mathematics in everyday life, engaging mathematics songs that enhance the learning of mathematics, and assessments to measure student understandings.

The topics that will be explored in this program include:

- Explorations using positional words
- Counting
- Recognizing, classifying, and sorting two-dimensional and three-dimensional shapes
- Representing comparisons using comparative language and symbols
- Using measurement to develop comparisons in problem-solving situations

Each teacher will receive program materials and professional development credit.

Enrollment is limited.
