

**Rice University School Mathematics Project (RUSMP)
Preparing for Success in Algebra I, Geometry, and Algebra II
Courses for Middle School or High School Students
Summer 2023**

RUSMP has designed courses for students who **are entering** Algebra I, Geometry, or Algebra II in the Fall of 2023 and who would like to strengthen their mathematics backgrounds and develop important concepts and skills to prepare for these courses in the upcoming school year.

These two-week courses (Mondays-Fridays) will be led by RUSMP Master Teachers, whose expertise in teaching these courses is acknowledged in the educational community.

The courses will take place in the RUSMP Classroom [5615 Kirby Drive; Suite 300].

- **Preparing for Success in Algebra I (facilitated by Mr. Pei How Chin)**
July 17-28, 2023 (9:00 am – noon)
Cost per student: \$600 (tuition) + \$5.95 (processing fee)

- **Preparing for Success in Geometry (facilitated by Dr. Gail Hamilton)**
June 19-30, 2023 (9:00 am – noon)
Cost per student: \$600 (tuition) + \$5.95 (processing fee)

- **Preparing for Success in Algebra II (facilitated by Dr. Joanna Papakonstantinou)**
July 17-28, 2023 (1:00 pm – 4:00 pm)
Cost per student: \$600 (tuition) + \$5.95 (processing fee)

Enrollment is limited for each course.
