

In response to the many calls and emails from members of the community seeking math tutors, we have created this site. This service to the community supports Rice University's *Vision for the Second Century, Second Decade* (<https://v2c2.rice.edu/>) which includes "Engage Houston and Empower its Success."

Feel free to contact the tutor directly. Hours, location, and pay are negotiated between the tutor and parent/student.

Name	Levels Tutored	Contact Information
Lucas Fraley	Algebra I & II, Geometry	lrf4@rice.edu
Bao Huynh	Math (grades K-12)	BaoGHuynh2016@gmail.com
