**Spring Semester, 2002**

**Algebra I for Middle School Mathematics Teachers**

Tuesdays, January 15, 2002 - April 9, 2002  
4:30 p.m.- 7:00 p.m. at Rice University

This course is designed for middle school mathematics teachers who are seeking a strong foundation in Algebra I content. The focus of the course is learning beginning algebra with an emphasis on mathematical models and representations, variables and functions, and symbolic reasoning. Concepts are aligned with the TEKS and HISD's Project CLEAR.

- Algebraic thinking and symbolic reasoning
- Function concepts
- Tools for problem solving
- Use of manipulatives and technology to explore algebraic concepts
- Gifted and Talented credit

Each teacher will receive a graphing calculator and course materials.

**Enrollment is limited.**
