**PROGRAM  
ANNOUNCEMENT  
Fall Semester, 2005**

**Developing the Measurement Strand: A Course for K-9 Teachers**

Tuesdays, September 20 – December 13, 2005

5:00 p.m. - 7:30 p.m. at Wilson Intermediate School, Aldine ISD

This course is designed for K-9 teachers who are seeking a strong understanding of the measurement strand for grades K-8. The focus of the course is developing the concepts of length, area, and volume and applying appropriate measurement techniques, tools, and formulas. There is an emphasis on error analysis. Concepts are aligned with the TEKS and Aldine ISD's Benchmarks.

- Emphasis on vertical alignment of concepts
- Use of manipulatives to explore measurement concepts
- Gifted and Talented credit
- Course materials for teachers

**Enrollment is limited.**
